ABOUT US

CREW *Life@Sea*
Recruitment

Crew Life@Sea specializes in full recruitment service for Cruise Liners, River Cruises, Yachts and Oil Rigs. Our team collectively brings 53 years of seafaring experience; we have a great understanding of making sure our clients receive staff with high integrity and great work ethics.

It is our aim to ensure the recruitment process is as seamless as possible for our clients as well as ensuring that only the best possible candidates are matched with vacancies comprehensively as clients require. We have over 90% success rate in placing crew for the most critical and demanding positions.

We provide our clients with reliable and experienced staffing solutions. By understanding the significance of aligning talent versus needs, we tend to offer a solution that drives businesses forward.

17 Postern Way, Edgemoor
Milnerton, Cape Town
South Africa

CREW *Life@Sea*
Recruitment

PORT OF CAPE TOWN

Because of its position along one of the world's busiest trade routes it is one of the busiest ports in South Africa, handling the largest amount of fresh fruit and second only to Durban as a container port.

The port also has significant repair and maintenance facilities that are used by several large fishing fleets and parts of the West African oil industry. Because of the many tourist attractions offered by Cape Town and its surrounding region, many cruise ships also berth in the port.

The Port of Cape Town has a total of 34 berths including lay-by berths and ship repair facilities. Sturrock Dry Dock is the main dry dock and can dock vessels with a maximum length of 369.6m, width of 45.1m and draft of 14m. Robinson Dry Dock has an overall docking length of 161.2m and depth of 7.9m.
